RADNAI SZABOLCS

**Dear Madam/Sir,**

My name is Szabolcs Radnai, a graduate student in Dunaújvárosi Egyetem Bánki Donát Technical School. I finished my studies in 2025. June.

I would like to apply for the technical position that is advertised by your company. In my resume, I have detailed what kind of work experience I gained during my school practical training as well as at the listed workplaces. I have conscientiously completed the task that were appointed to me, and I aimed to perform my best possible performance.

I like to work in a team and alone as well. I am motivated in my future profession, I strive for development because we need continuous renewal in this rapidly changing world. I am glad to take part in any course where I get a chance to improve my skills. I am reliable and I easily adapt in a new environment. I sport a lot in my free time because a healthy lifestyle is essential for me. I like to travel to gain experience. I strive to improve my English skills because it is significant for me and it could benefit the company because of foreign partners.

After I finish my studies, I would like to work in a place that has challenge for me. I would love to discuss more details of me and my goals in a personal meeting. I wish to contribute to the company's success and be your associate.

Thank you for advance for spending your time and attention on me. I am always available during the day through e-mail and by telephone. I am waiting for your swift response.

**Sincerely,**

Szabolcs Radnai
